

Staffing Firms: Save Time and Eliminate Double Entry

StaffLinx GP

The Bullhorn to Microsoft Dynamics™ GP Integration Tool

Front Office Integration to Back Office Accounting

Bullhorn is an On Demand, front office solution for the staffing and recruiting industry.

Microsoft Dynamics GP is full featured back office accounting and financial management software built on Microsoft technology.

Connect your front office and back office systems with StaffLinx GP.

Bullhorn collects critical data your accounting department needs to create customer invoices and employee paychecks. StaffLinx GP allows you to easily share this information with Microsoft Dynamics GP so you can eliminate double entry and be more efficient.

Key Integration Points

- ▶ Customer ID
- ▶ Service Hours
- ▶ Pay Code
- ▶ Billing rate
- ▶ Employee ID/SSN
- ▶ Pay Rate and more

StaffLinx GP was developed by CAL Business Solutions in cooperation with Bullhorn, for the closest integration possible. Purchase as an affordable add-on to your existing Great Plains system or as part of a new Microsoft Dynamics GP accounting system from CAL Business Solutions Inc.
