

### Accounts Payable Eraser

Improve efficiency for your business by tracking, viewing and removing accounts payable entries from within Dynamics™ SL

**PSS ACCOUNTS PAYABLE ERASER** removes all traces of an Accounts Payable entry while leaving an audit trail in the system.

#### [ BENEFITS ]

##### Manage accounts more effectively

If you entered an AP item with incorrect information and released it into Dynamics™ SL, AP Eraser will make it easy to remove the entry so that you can re-enter it.

##### Save time and money

AP Eraser saves you from having to enter adjusting entries to remove the incorrect item in the system.

##### Process your information easily

Simply erase the original item, either a document or a voucher batch, and then enter the correct item. Erased document information is stored in an audit file so audit trail is available.

##### Maintain security

AP Eraser uses Dynamics™ SL's standard security features, so access can be limited to specified users.

**Erase account information**  
for a document or voucher batch.

**Includes the option**  
to view account information before erasure.
