

Parts. Products.
Pricing. Proposals.

Perfect.

Launch Experlogix from a Microsoft CRM opportunity, quote, order or contract

Easily link product images

Experlogix Configurator for Microsoft Dynamics CRM™

Simplify proposals

Select options with a single click to create proposals and orders fast. Automate complex pricing and component compatibility logic.

Achieve 100% order accuracy

Eliminate order entry errors and costly re-quotes.

Offer up-sell options

Increase sales with guided up-sell and cross-sell offers.

Road warriors rejoice!

On the road? Run Experlogix on your sales for Outlook client and sync back to your Microsoft CRM server.

No programming required

Installation and set-up is fast. Quickly build product definitions which can contain thousands of options, calculations and rules.

Affordable

Select from multiple versions to get the features you need at the price you want.

Proven Technology

Used by hundreds of companies around the globe to configure everything from software to forklifts. VeriTest Certified for Microsoft CRM.

**Quote it Fast.
Sell it Right.
Experlogix**

Get immediate, color-coded feedback after each choice is made

Control complex pricing, calculate shipping, taxes and currency conversions

Summarize any calculated value such as cost, profit, margin or weight

"I have evaluated several product configurators with our clients. Nothing stacks up and works as well as with Microsoft CRM as Experlogix."

Darren Gooding, Neudestic LLC

"The Experlogix team went above and beyond in order to meet all of our requirements. The whole team was very knowledgeable and accommodating."

Dan Nishita, Instant InfoSystems
