

# Solution Map – IBIZ Consulting Services

## IBIZ Chemical Distribution & Manufacturing Solution

IBIZ Consulting Services (IBIZ) provides a comprehensive out-of-box solution addressing all key aspects of the business for mid-sized companies in the chemical distribution and manufacturing industry. The solution comprises of standard financial, distribution and manufacturing modules with specialized functions for recipe formulation, blending, packing and repacking, and lot tracking. It is built on Microsoft® Business Solutions Navision®, now part of Microsoft Dynamics™, for total integration between application & infrastructure.

With a team of 16 consultants, including 2 principal consultants with more than 35 years of experience in the chemical industry, and an accelerated implementation methodology targeted at the chemical industry, the IBIZ solution delivers a track record of more than 15 successful implementations in the past 3 years. Continuous joint development efforts with key chemical industry players is underway for future product enhancements through a specialty chemical advisory board.
